Dermaroller uses ultrafine titanium needles to create controlled injury to the skin which stimulates new collagen and elastin production boosting the skins repair system resulting in firmer, softer skin with a more refined texture.

Dermaroller can be used to:

- Reduce fine lines and wrinkles
- Fade acne scars and stretch marks
- Help heal sun damage
- Improve the appearance of cellulite

CRYSTALCLEAR

Crystal Clear Microdermabrasion is a clinically proven skin resurfacing treatment that offers flawless results for problem skin, pigmentation, wrinkles and scarring. This treatment is carried out using a machine that blasts micro crystals onto the skin, deeply exfoliating and breaking down the dead skin cells, exposing new skin cells to the surface.
